OBJECTIVES

» INFORM, CONNECT,
ENGAGE

- **Inform** migrants on spaces that cater to their needs: free activities, meals, and accommodation
- **Connect** migrants to locals who can help meet their needs, teach them new skills, create social connections
- **Engage** the Brussels public with migrants who could use a helping hand to integrate into local society

TARGET POPULATION

- Brussels residents
- Migrants
- Local asbls

DEVELOPMENT

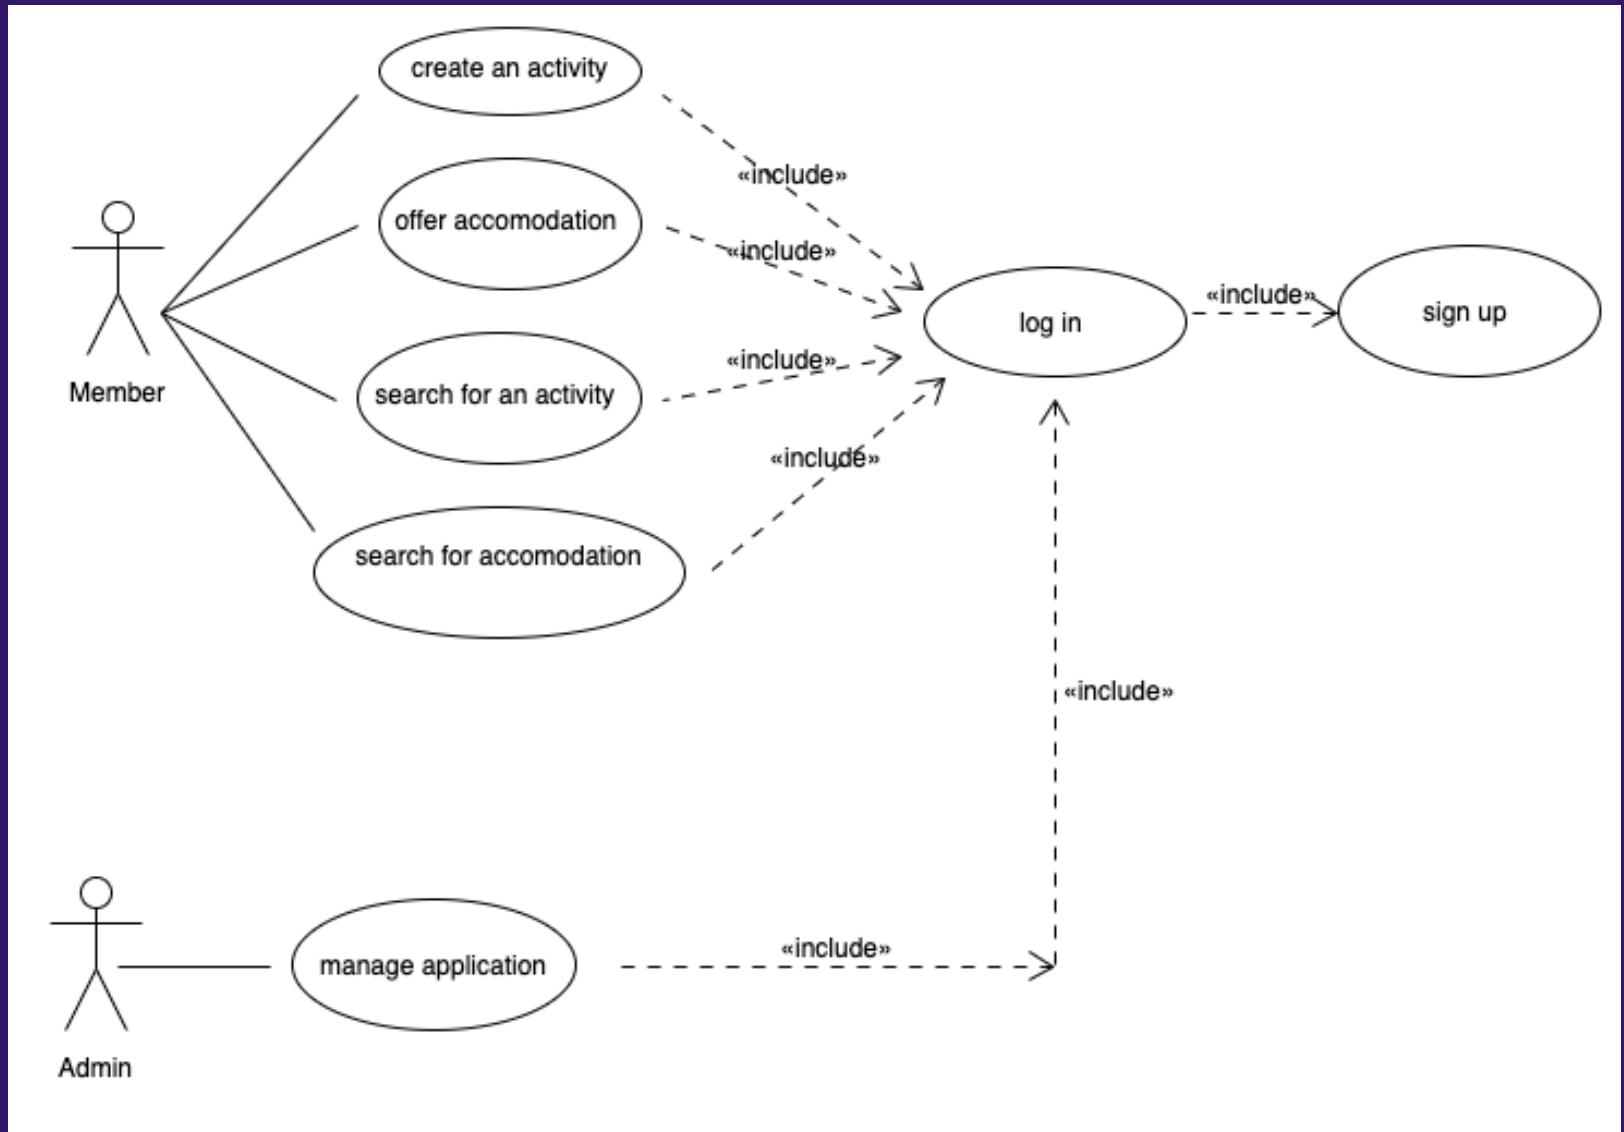

TECHNOLOGY TO BE USED

- HTML, CSS
- JS, JQUERY, Bootstrap
- Php, Symfony
